EXCITEMENT ASSURED

Events are shaping themselves so that it looks as though we are going to have excitement in abundance in the next presidential campaign.

With the Literary Digest poll showing the farm belt voting 3 to 2 against New Deal policies and with Republicans unlimbering their heaviest artillery on the weakest spots in the Administration armor, it has been apparent for some time that there would be no lack of excitement.

A THIRD PARTY

Now a new element has been introduced, which like the opposition of the late Huey Long, threatens to upset the apple cart. It is no other than our good Dr. Townsend, who believes that both parties are giving him the merry run-around has determined to form a party all his own and run a candidate for the presidency. While disclaiming any intention personally of seeking the high office, he is confident that he can secure good material to lead his hosts to victory.

FALSE HOPES

Politics always develops the unexpected. While maintaining the outward appearance of grief over the demise of the Kingfish, there is no question but that the Bourbons in their hearts agreed that the inscrutable ways of Providence had provided a break in their favor—which, in fact was the case. While breathing a sigh of relief the sun of promise made its appearance and a new tone of confidence could be detected in the Democratic claims for victory next year. Now the scene has changed.

213 Direct Relief Cases For County

There are 213 persons on direct relief in Contra Costa county at the present time, according to figures released from the local SRA offices yesterday.

Local offices of the State Relief Administration are rapidly "liquidating" relief cases, assigning employable to the National Re-employment Service for work on WPA projects and private employment.

The last figures on hand were for the week ending December 7, which showed that 1285 persons have been given work on WPA projects. A majority of these are working on the Mare Island naval project.

SRA officials pointed out that of the number still on direct relief about 50 of these persons were placed on the rolls after November 1, thus making them ineligible for WPA jobs until after January 1, when they have been on rolls for many months and are tired.

Several new relief cases were brought to the attention of the relief organization and a number of old cases were re-opened. In these instances they represented men who had formerly been on relief and who had later received employment with private industries. Due to lay-offs and shut-downs they are once again on the relief rolls.

Under the procedure of the SRA those employable on the relief rolls are registered with the NRS and are given work either WPA jobs or in private industry. In the case of single men they are carried on the relief rolls for one week after they receive WPA jobs and in the case of married men they are carried for three weeks. Thus, officials declare, that some of the 213 carried on the books as direct relief clients are actually working until they have been working a week, or three weeks.

Start of the WPA sewing project in the county has provided work for 60 women of the county who are included among the 213 on direct relief.

SRA officials expressed high hopes that before the new year starts almost everyone will be off direct relief and the records of the SRA can be closed.

BRITISH IRED BY PEACE PLAN

RESIGNATION OF HOARE TO BE DEMANDED

LONDON, Dec. 14—UP—British indignation over concessions made to Italy in the Franco-British peace proposals was heightened today by the issuance of an official "white paper" revealing that Sir Samuel Hoare, foreign secretary, put special pressure on Emperor Haile Selassie to induce him to consider the plan.

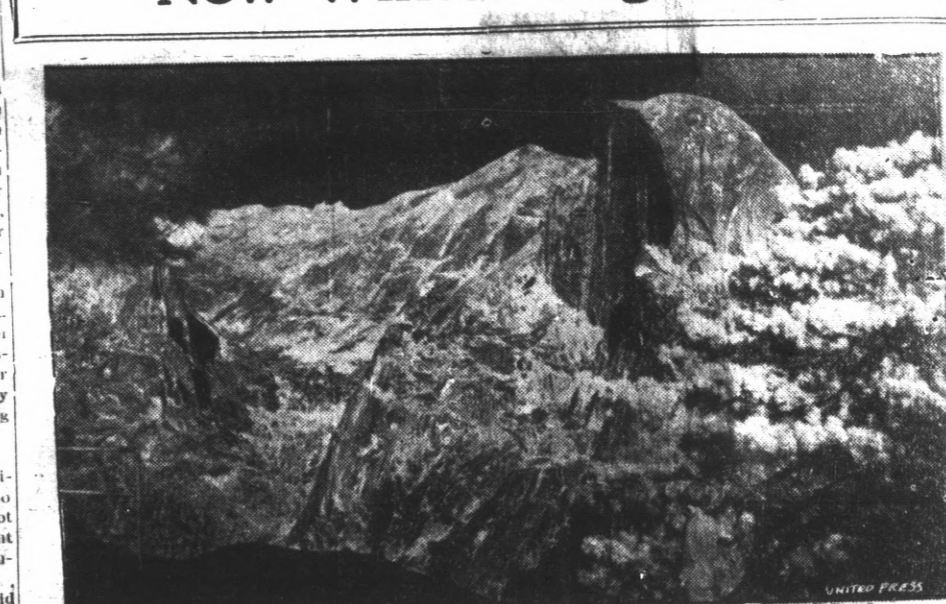

The situation has caused a storm which is likely to break in Parliament tomorrow, when Sir Samuel will attempt to defend the proposals which he drafted with Evandier Pierre Laval of France. Already there has been talk of demanding Sir Samuel's resignation.

BARGAIN IS SEEN
ROME, Dec. 14—UP—Italy indicated officially today that the Anglo-French peace proposals are not likely to be accepted outright, but more as a bargaining point for future discussion.

A government spokesman said the proposals are extremely complex and their study would "continue for at least several days." The Italian reply would be in no way contingent on any League action regarding the proposals. Italy, the spokesman said, would reply to France and Britain and not to the League.

PROPOSAL TO BE GIVEN TO BOARD SOON

Peace officers of the bay region are virtually united in a demand for enactment of the liquor laws proposed by the board.

The Bay Counties Peace Officers Association at a recent meeting almost unanimously adopted a resolution asking for local control. District Attorney Earl Warren of Alameda County announced yesterday.

In San Francisco Duncan Matheson, secretary-treasurer of the Peace Officers Association of California declared that the peace officers of the state would "welcome the responsibility of liquor enforcement" and branded the present "divided authority" system as an anachronism. He declared his organization undoubtedly would take up the situation at its annual convention at Santa Monica.

In the meantime the eyes of the entire state are focused on the meeting of the State Board of Equalization at Sacramento next Thursday at which time State Controller Ray Riley will for a second time attempt to restore liquor control to local authorities.

Townsenders To Put Third Party In Field

WASHINGTON, Dec. 14—UP—Dr. Frances E. Townsend tonight challenged national political circles with the assertion that his \$200 a month pension party now is in a position to dominate the American government and dictate its policies.

The tall gray haired doctor, who has become a political phenomenon such as the nation has not seen in years, said his organization intended to put a complete third party ticket in next year's election, in defiance of old-line Democrats and Republicans, even of those who favor his program.

THROUGH WITH PARTIES
"If they won't desert their own parties, we won't want them," he said. "We are through with the two regular parties, unless they show a sudden and immediate change of heart."

"The Republicans and the Democrats have programs for their own parties and the people are becoming tired of their vague promises. We have a national program for the benefit of all the people; the old line parties have a program for themselves."

STEAL A MARCH
The doctor said that his followers have been "lying low" these many months, while the Townsend clubs "snowballed all over the country."

"I am predicting that by next Fall there won't be half a dozen congressmen who have a chance to return unless they cease being Republicans and Democrats and get behind our movement."

LITTLE HOPE IS SEEN FOR HAUPTMANN

TRENTON, N. J., Dec. 14—UP—The chances of Bruno Richard Hauptmann to live more than a month rested on three slim possibilities tonight.

He will electrocuted in State penitentiary the week of January 13 for the murder of Charles Augustus Lindbergh, Jr., unless:

THREE HOPES

1.—The New Jersey Court of Pardons commutes his sentence.
2.—The courts permit him a new trial on grounds that startling new evidence could be produced.

3. Governor Harold Hoffman grants him a reprieve.

The first two were held highly unlikely. Should the governor intercede he could prolong the former German machine-gunner's life three months at the most.

NO SURPRISE
Although the date for his electrocution was set late yesterday by Justice Thomas W. Trencard, before whom Hauptmann was tried, the prisoner did not learn of it until today.

He exhibited no surprise and, once again, he predicted, "something" would save him. Colonel (Continued on page 8)

DeLap Seeks Aid For Roads Of The County

Co-operating with and supplementing the efforts of county authorities Assemblyman T. H. DeLap is bending every effort to secure an allocation of Federal funds for the Tunnel road and the Willow Creek Pass cut-off.

In furtherance of this objective he recently wrote to Earl Lee Kelly, director of public works, setting forth cogent reasons why assistance should be extended for the highway in this county. In reply he has received the following encouraging advice:

"I am in receipt of your letter of November 20th, relative to the possibility of additional federal funds being made available on the Tunnel Road, as well as on the Willow Pass Cut-off.

"If it is finally determined that the Golden Gate Bridge approach project cannot be included as a federal emergency fund project, we will attempt to hold these funds for California and present to the Federal Government alternate or substitute projects to take up the amount released by this Marin County project. We do not have definite assurance that this money will remain available for our use and it is also necessary to confer with the U. S. Bureau of Public Roads relative to the eligibility of various projects which may be presented for their consideration. A certain percentage will necessarily have to be metropolitan area projects and an understanding must be reached with the federal authorities concerning this phase of the regulations. Other requirements, such as distribution, must also be given consideration.

"If such a revised program is undertaken, I can assure you that we will give serious consideration to your proposal."

DIES ON BOAT

MARTINEZ, Dec. 14—James M. Hale, 61, 421 Lincoln avenue, Alameda, died yesterday afternoon at the wheel of his small cruiser and the pilotless craft ran aground on Ryer island, it was revealed today when Fred Widing and James M. Markham of Port Chicago found the half waterlogged boat high and dry.

30,000 Under Quarantine In Plague Fight

HOBART, Okla., Dec. 14—UP—Virtually every activity of the 30,000 residents of Kiowa county was governed tonight by a doctor's prescription.

The drastic regulations of mass quarantine were imposed by State authorities in an effort to halt an epidemic of spinal meningitis.

FIVE NEW CASES

Five additional cases of the dread disease which inflames the spinal covering and frequently causes sudden death were found today, one at Cold Springs and the others at Snider. This brought to 12 the number of known cases.

To halt the epidemic Dr. C. M. Pearce, State health officer, ordered the mass quarantine, medical science's most drastic weapon.

As a result of the stringent rules Hobart and other Kiowa county towns resembled deserted villages tonight. No more than three persons could congregate at one place with.

More Arrests As Aftermath Of Local Fight

MARTINEZ, Dec. 14—Two Richmond men were held in the county jail here today on a warrant charging them with assault with a deadly weapon, following their arrest by Deputy Sheriff Ralph Harrison.

They are William Louis Turner, 23, and Albert Suddreth, both of North Richmond.

The warrant against them was signed by Nathaniel Felder. Last week Felder was arrested on a similar charge on a warrant signed by Mrs. Katie Turner, wife of William Louis Turner, following a fight in which Turner claimed Felder wielded a knife.

Felder, in turn, reportedly claims Turner and Suddreth beat him with a picket.

Bail for Turner and Suddreth was set at \$1,000 each by Justice L. P. Grover of San Pablo.

New Deal Is Slipping In Digest Poll

NEW YORK, Dec. 14—UP—A further decline in the New Deal vote in the current Literary Digest straw vote was announced today.

To date 642,711 ballots have been cast, of which 42.76 per cent favored New Deal policies and 57.24 per cent opposed them. The first poll report showed an anti-New Deal vote of 53.28 per cent, the second one of 55.89 per cent, and last week's report one of 55.50 per cent.

Today's report covered ballots from 26 States. Seven, all in the South, answered "yes" to the question "Do you now approve the acts and policies of the Roosevelt New Deal to date?" By a majority of three to two, "The others showed a majority of "No" votes.

The farm belt States of Kansas, Nebraska, Missouri, Iowa, North Dakota, South Dakota, Minnesota, Indiana, Illinois, Ohio and Michigan showed an anti-New Deal vote of three to two.

The figures for California: Total votes to date, 50,697; vote yes in support of Roosevelt's policies, 21,164, 41.75 per cent; vote no against Roosevelt policies, 29,533, 58.25 per cent.

Driver Fails To Get Name Of Offending Man

While Eldridge Bath, of 124 Richmond Court, was driving down Palman avenue last evening—probably minding his own business and discussing the cold weather—he was struck in the rear by another machine traveling in the same direction.

Both rear tires of Bath's machine exploded with a loud "bang" and one of the rear wheels went rolling across the road. Naturally Bath's machine stopped and the offending car halted.

The two drivers climbed out of their machines and exchanged words. After the pow-wow, the driver of the other car drove away and Bath called a tow car.

When Bath reported the accident to police he confessed that he didn't get the name of the driver of the other car.

Later in the evening Mike Trautman, 824 South Forty-fifth street, reported to officers that his car was struck and slightly damaged in an accident at Ninth and Macdonald avenue and that the driver of the other car failed to stop.

Xmas Buying At High Level Merchants Say

With Christmas buying at a high level, and a substantial amount of that buying taking place in Richmond conditions are better at the holiday season than for several years past, it was shown in a report made public yesterday by the Chamber of Commerce.

The generally improved economic condition and increase of confidence are responsible for the buying power, and the complete stocks and fair prices of Richmond stores are the reasons why people are spending their money in Richmond instead of in other cities around the bay, according to the Chamber.

CONDITIONS BETTER

C. E. Harris, president of the Merchants' Association, said the low point of Christmas buying was seen in the holiday season of 1932.

Two Women Are Injured Here In Car Crashes

Two women were slightly injured and the driver of another machine was cited to appear in police court on charges of driving in an unsafe manner as the result of automobile accidents in Richmond yesterday.

Mrs. K. Ujor, of Filbert street, North Richmond and Mrs. Mary Paulech, 527 Fifth street, sustained cuts and bruises when Mrs. Paulech's machine collided with a car driven by P. F. Sullivan, 665 Second street at Thirteenth and Nevins avenue. Mrs. Paulech was given a citation for driving with no operator's license.

W. F. Jackson was cited to police court after his car collided with a machine driven by J. P. Brazil, of Oakland at Sixth and Bissell avenue. Police said Jackson attempted to drive away after the crash.

Antioch Attorney To Be Lion Guest

Warren Cunningham, Antioch attorney, will be speaker of the day when the Richmond Lions Club meets Tuesday at Hotel Carquinez.

Dr. W. B. Jenkins, president, will preside.

Cunningham recently returned from a trip to Europe and will describe conditions as he found them there.

Joseph Perrelli will be chairman of the day.

Crusaders To Oppose Pension Act

SAN FRANCISCO, Dec. 15—UP—The first organized opposition to the Townsend old-age revolving pension plan arose today with the decision of the California Crusaders claiming a membership of 50,000, to campaign against the OARP as "non feasible."

Pointing out that the estimated cost of paying all persons over 60 \$200 a month would exceed \$20,000,000,000 as a minimum, the organization said it wanted to know where the money is going to come from.

"Townsendites frequently seem to resent questions about the feasibility of their scheme," said Samuel J. Hume, regional director of the Crusaders. "This is because they are strongly moved emotionally by their devotion to its objectives."

Hume said the Crusaders intend to analyze the plan of the Long Beach, Cal., physician and his followers and to publish findings within the next three weeks.

Balm Asked For Crash Injuries

MARTINEZ, Dec. 14—A suit for \$1,797.53 was filed in superior court here today as the aftermath of a truck collision on the highway near Pinole, on September 4, 1935.

The action was filed by Walter J. Johnson and Rose Johnson, doing business under the firm names of Johnson & Son and Johnson & Johnson & Son, against the Central Oil Company and Oscar Field.

It is claimed the truck was damaged to the extent of \$322.53 and \$776 is asked for loss of use of the truck for 31 days.

Sal Jimno Is Reported Improving

Deputy Sheriff Sal Jimno, of Pittsburg, who was wounded in a gun battle with Luciano Sanchez, crashed Pittsburg store owner on Friday morning, was reported to be slightly improved at a San Francisco hospital last night.

Jimno was removed from the Antioch hospital to San Francisco yesterday for treatment. Hospital attendants said he will probably undergo an operation for treatment of his right arm, the bone of which was shattered by a 38 calibre revolver bullet.

Sanchez shot and killed Pittsburg Police Officer John Buckley, wound Jimno, Special Police Officer Chris Mase and Police Captain Dan McNeil of Pittsburg before he was finally cornered and shot down. He died Friday afternoon.

At Pittsburg on Friday night the Pittsburg city council revoked the business license of a pool room where Sanchez started the murderous affray after the American Legion had demanded that the council take action.

Gael Eleven, Trojans Lose Final Games

The curtains were drawn on the 1935 collegiate football season yesterday when St. Mary's College lost a 12-7 decision to the University of California at Los Angeles while the Southern California Trojans lost to Pittsburgh University, 12-7.

The Gaels, rated to take a victory from the Trojans bogged down in one scoring threat which might have won the ball game for the Mad Morans.

The first score came about three minutes after the second quarter started when a break gave the Trojans the ball. Wag Jorgensen centered a bad pass to Maxham on fourth down and although Schroeder recovered the fumble, the Bruins took possession of the ball on downs on the Gaels' 17-yard line. After several running plays had lost nine yards, Bill Murphy passed 26 yards to Schroeder for the touchdown.

Early in the third quarter St. Mary's opened a wild drive down the field from the Gael 20-yard line that finally saw Maxham go over. Lou Perry converted.

Immediately after the Gaels threatened a gain and put the ball over the goal line, but Maxham fumbled the ball over the goal line and UCLA recovered to take the ball on their own 20-yard line.

Fifteen minutes before the game ended, the Trojans took the ball down the field to score the winning touchdown, with Williams going over.

Lou Perry, of Richmond, was one of the outstanding players for the Gaels. Perry's blocking paved the way for the St. Mary's touchdown and also aided the Gaels in their marches down the field. Perry acted as captain and played almost the entire game.

Old S. C. found the University of Pittsburgh just too tough for them. The Pittsburghers scored early in the first period and again in the third. Troy made its lone score in the fourth quarter in a belated rally.

Publisher Will Head Wrestling Sector Of Board

SAN FRANCISCO, Dec. 14—UP—

A long-expected shakup in the A. W. C. Commission occurred today with the election of George H. Payne, San Jose newspaper publisher, as chairman of the group.

Payne replaced Dr. Harry Martin, Los Angeles, as chairman of the board. Martin remains as a commissioner. Claude Goodwin, Oakland, is the third member.

Payne, considered likely Martin's successor, will head the board when his term expires at the end of this month. He was an appointee of former Governor C. C. Young and continued in the post through the Ralph administration.

Payne is Governor Frank Merriam's appointee on the commission. Although its youngest member, he has been extraordinarily active in his work. At present he is investigating the wrestling situation following charges small promoters were being squeezed out by the "wrestling trust" and that pay-offs in the form of attorney's fees had been made to persons close to the Administration.

Subject Today At Science Church

In all Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., a Lesson-Sermon will be read today, on the subject "God the Preserver of Man."

The Golden Text will be: "The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore" (Ps. 125: 8). Bible selections will include the following passages from 1 Peter 3: 19, 12-13: "For he that will love life, and see good days, let him refrain his tongue from evil, and his lips that they speak no guile. For the eyes of the Lord are over the righteous, and his ears are open unto their prayers; but the face of the Lord is against them that do evil. And who is he that will harm you, if ye be followers of that which is good?"

A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, will also be included, which reads as follows: "To hold you self superior to sin because God made you superior to it and governs man, is true wisdom. To fear sin is to misunderstand the power of Love and the divine Science of being in man's relation to God. — To doubt His government and distrust His omnipotent care" (p. 231).

Nephew Pays Fine

THE PLAN of Miss Anita Whitney, asserted Communist, socialist worker and niece of a United States Supreme Court justice, to be a jail "party" was frustrated by her nephew. He paid a \$600 fine just as she was beginning a 300 day sentence in San Francisco County jail following her conviction on a charge of falsely attesting signatures to Communist election petitions.

U. S. Medico Is Killed By Dud Explosion

ALDIS ABABA, Dec. 14.—UP—Dr. Robert W. Hockman, who stood by his American Red Cross post during all the recent heavy Italian bombings felt a victim yesterday at Daggah Bur to his only recreation and hobby—digging up 'dud' bombs—it was announced today. A dud exploded, killing him.

The 29-year-old Wheaton, Illinois surgeon's courage had been an inspiration to Ethiopian warriors of the Southern front. While other physicians and Red Cross workers fled the terrific bombings at Daggah Bur he moved closer to the front to treat the wounded.

Ethiopians and Americans had feared for his safety. His only concern after each bombing, was to let his wife, sent to the safety of Egypt with the son which was born in October, be notified that he was right.

After long hours patching up horribly wounded warriors Dr. Hockman would photograph Lushan planes, collect bomb fragments and dig up the "duds"—the shells that hadn't exploded. He dug up a buried a 970-pound shell near Jibla farther north.

Gas fuel, too, ignites instantly—without the bother of matches or tapers.

Quiet Now

REMEMBER ANDREW J. "Bossy" Gillis, filling station proprietor whose blistering political tactics as mayor of Newburyport, Mass., made him a national figure a few years ago? Here he is at the close of his recent successful campaign for a third term as mayor, but he's a changed man now. He said his wife told him to "keep his mouth shut." So he won.

Charges are Moderate

It is well to remember that a beautiful mortuary does not mean high prices, as this firm proves. With all the refinements and comforts to be found here, charges are never higher than the smallest incomes can easily afford. By including everything in one plainly marked price, we have made it possible for every family to make an appropriate selection without financial hardship.

W. C. T. U. NOTES

REFEAL HAS SUCCEEDED!

1-In legalizing the sale of liquor.

2-In making drunkards of women and children.

3-In completing the breakdown and morals and turning school camps, parks and highways into cesspools of prostitution and breeding places for social diseases.

4-In increasing murders by drunken drivers.

5-In making the United States Government responsible for prevailing conditions, and inasmuch as the voters are the government each individual who voted for repeal is individually responsible before God for all the misery, shame and disgrace which we, as a people, are facing today.

Yes, repeal is a tremendous success. May God forgive us.

REFEAL SIGHTS

Two young well-dressed girls, who had been practicing according to the advice of the first lady of the land, totally unable to navigate, being escorted home with much difficulty by their escorts.

A blind man, falling every few steps, being raised up only to fall down over and over again, to the great amusement of the surrounding public.

A man with part of both legs up to the knees missing, wailing in his own vomit, a little to one side of the entrance of one of the respectable (?) taverns.

An old man, perhaps seventy years of age, contentedly lying in the middle of the sidewalk, dead to all his surroundings.

Surely repeal is doing wonders.

WAKE UP YOUR LIVER BILE—

WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, laxatives, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. The only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul. Your skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

If it takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

Just don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Beware a substitute. 25c at drug stores. © 1931 C. M. Co.

OLD PEOPLE find way to keep breath wholesome

Halitosis (bad breath) quickly yields to Listerine, safe antiseptic and deodorant

Either because of stomach disturbance, food fermentation, or the wearing of false teeth, old people frequently have halitosis (bad breath). No wonder others consider them a nuisance.

But now Science has found that the regular use of Listerine will often overcome offensive mouth odors due to the fermentation of tiny bits of food on mouth, teeth, or dental plate surfaces.

This safe antiseptic and quick deodorant works quickly. It cleanses mouth, teeth, and gum surfaces. Halts fermentation and purification, a major cause of odors, and then counteracts the odors themselves.

Try using Listerine every two or three days. See how much more wholesome it leaves your mouth. How it sweetens your breath. Lambert, Pharmacal Co., St. Louis, Mo.

PROPOSAL TO BE GIVEN TO BOARD SOON

of authority under the present system. As an example the officers point out that state agents tell liquor sellers they may remain open until 2 A. M., while the local closing time for liquor stores in many cities, including Richmond, is one o'clock.

Records revealed yesterday that in Alameda and Contra Costa Counties there is one hard liquor on-sale license for each 5500 persons and that there is a holder of a liquor license, either on-sale or off-sale for each 125 persons.

SUCCESS IS SEEN

A jarring note in the chorus for local liquor control was sounded in Sacramento yesterday when Don Marshall, former Oakland police chief and new liquor law enforcement officer in San Francisco charged that local peace officers are "trying to get control of all liquor licensing."

Riley's plan, which observers believe may become effective through the appointment of Ray L. Edgar, of El Centro, to succeed Miss Orfa Jean Shontz on the Board, is reported to call for local approval of all applications for liquor licenses, with the Board retaining the right of review, and control over taxation features of the State law.

Naturally there will be a marked divergence of opinion as to whether the third-party movement will constitute a threat to the two major parties. If any untoward consequences flow from it it is certain that the Democratic and not the Republican party will be the sufferer. That fact is conceded with argument.

Dr. Townsend claims a membership of over 5,000,000 voters for his club and a potential voting strength, with sympathizers, of nearly 30,000,000. Discount these figures as much as you are disposed to, they are bound to be a factor in the result. The margin by which Roosevelt was elected would be wiped out by this vote and strengthen the chances of a Republican candidate being victorious, depending in a large measure it is granted, upon the candidate the Republicans name.

To those who take politics seriously or lightly, the outlook is prolific with promise of a battle royal.

Xmas Buying At High Level Merchants Say

(Continued from page 1)

Conditions have been consistently better each year since then, and this year is the best year the local merchants have enjoyed in three years, he declared.

"We shall never be able to educate 100 per cent of our people to the importance of spending their money in the city where they earn it," said Harris, "but it is encouraging that we see a steady and consistent improvement along this line. People realize more and more now when they earn money in Richmond and place it in circulation here, they are helping to provide profits for merchants, employment for many types of workers, and of course general prosperity for the whole community, including themselves. As merchants, we do not ask Richmond residents to buy here merely from civic motives. We believe our stocks are sufficiently complete and our prices so reasonable and attractive that we can compete on a dollar and cents basis with stores anywhere. While the holiday glamor of larger stores in other communities may have its lure, we believe it is value that counts, and on that basis Richmond offers itself on the field of fair competition for the holiday dollar as a pleasure to report that we are setting our full quota of the holiday money in ever increasing quantities as time goes on."

Much attention has been attracted to the unusual street decorations which have thrown a holiday atmosphere around Macdonald avenue.

"Thank you," the convicted slayer said simply.

Hauptmann's counsel will meet at Somerville Monday to decide an exact course.

Mistrial Motion In Mass Murder Case Is Denied

PORT ORCHARD, Wash., Dec. 14 — Superior Judge H. H. Sutton denied a defense motion for a mistrial tonight as the Bremerton "mass murder" trial ended its first day.

Frederick Butts, attorney for Leo Hall, co-defendant charged with slaying four men and two women, demurred a mistrial after he failed to block the testimony of Sergeant James Fleming of the Portland police, who arrested Hall in October. Fleming testified that Hall, who gave the name "Bob Stewart" was armed when arrested. Butts maintained that the statement was irrelevant and prejudicial to his client. The judge over-ruled him. Butts succeeded in preventing Dr. A. M. MacWhinnie, Seattle doctor from telling the jury of sewing up a severe cut on Hall's face the day after the slaying.
